

To Whom it may concern,

1 I am in complete opposition to the CBA attempting to impose the federal "established business relationship" exemption on Indiana consumers. I do not want banks, credit card companies and long distance carriers to be able to have any kind of exceptions to by pass, or get around Indiana Law to call Indiana residents against their wishes. I do not want these companies to have access to my phone without my expressed permission. Please do not allow this to happen. I also believe I speak for the vast majority of Indiana residents.

Thank you, Mr. Darrell L Strong of Anderson, Indiana.
